Dear Mr. Henri:

Referring to your visit of a few days ago, I can now offer you the catalogue of the International Medallie Exhibition of 1910, and the Exhibition of American Sculpture 1923, both paper bound for \$10.00. The cost of the Catalogue of Contemporary American Sculpture (the exhibition held at San Francisco in 1929), I learn from the National Sculpture Society, may be had from them for \$1.75 mailed. We should be very glad to have your order.

Very truly yours,

Secretary.
